

Green de Corp. Limited - Case-Study (25)

PROJECT INFORMATION

CLIENT: Nevada Lighting

LOCATION: Las Vegas, NV

COMPLETION YEAR: 2020

SYSTEM / PRODUCT INSTALLED: “RAGNI” KORNER multifunctional modular bollard. IP66 and IK10 protection. Available from 8 to 24 LED PCB, driver and PCBs at Zhaga standards.

PROJECT BRIEF: The latest addition to the Ragni photometric laboratory, this asymmetric distribution module in aluminium foundry is designed for road or pathway lighting. Having partly inspired the name of the Korner terminal, it provides precise and functional lighting. The superposition of several modules allows a great modularity of the lighting distribution.

Custom LED colour, Wi-Fi, USB charging, loudspeaker, and video surveillance are combined in KORNER to be a perfect bollard installed at landscape area
