

## Green de Corp. Limited - Case-Study (4)

### **PROJECT INFORMATION**

**CLIENT:** Vasakronan's Office

**LOCATION:** Stockholm, Sweden.

**COMPLETION YEAR:** 2019

**SYSTEM / PRODUCT INSTALLED:** "PARANS" sun-tracking daylight system

**PROJECT BRIEF:** Sweden's largest real estate company, Vasakronan, welcomes the visitors with Parans light at the entrance. Vasakronan has a strong focus on the modern office and the persons spending their time there. The Parans daylight is welcoming the visitor to the office. The daylight is spread in the form of a so-called wall light over the wall in an inspiring and efficient way while giving the green plants natural light. Further into the rooms, the Parans light is spread in a lounge area and creates a pleasant environment with good light dynamic.
